

Get to know the new Human Resources page

Quick Reference Guide

In an effort to help you find what you are looking for faster, we've made some changes to the Human Resources department pages on **ccisd.net**. We hope you enjoy the improved experience.

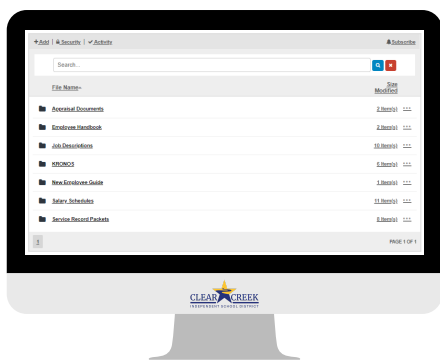

If you previously accessed the **Human Resources** page from the **Employment** tab, you will now access the page by **Departments > Human Resources**. The **Employment** tab is now called **Join Our Team**.

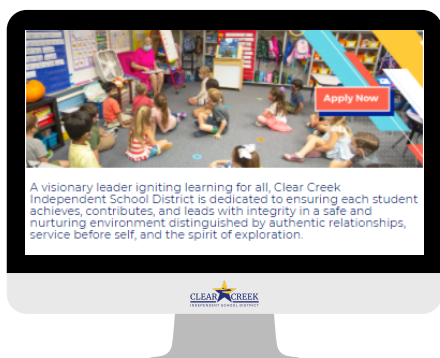

The Team Hub

Access to the **Single Sign-on Portal**, **Employee Access Center**, **Employee Portal**, **TalentEd**, and much more is now just a click away in the Team Hub section at the top of our page.

Shared Documents

Access to **Appraisal Documents**, **the Employee Handbook**, **Job Descriptions**, **Salary Schedules**, and more have been consolidated into a single container with subfolders. You will still be able to view and download the documents in this section.

Join Our Team

This section offers potential employees a glimpse into what it would be like to join the CCISD team. Information on **Substitute Teaching**, **Teacher Certification Requirements**, **Field Experience Observation Hours**, **Student Teaching/Internship**, and **Recruitment events** are now subpages found here.
