Seabrook Science Magnet Program Information Meetings for 5th grade students & parents

When:

Wednesday, December 4, at 6:30pm

Wednesday, January 8, at 6:30pm

Where: Seabrook Intermediate School Cafeteria

Is science your 5th grade student's favorite subject? If your 5th grade student has a passion for science, then he/she might be interested in learning about Science Magnet Program at Seabrook Intermediate. Any 5th grade students in the CCISD school district is eligible to apply to the Science Magnet Program for their 6th, 7th and 8th grade years. Plan to attend with your student to learn more about the Science Magnet Program, the application process, meet teachers and get answers to some of your questions.

Students who are zoned to the listed intermediate schools apply to the Seabrook Science Magnet Program: **Bayside Intermediate, Clear Creek Intermediate, League City Intermediate, Seabrook Intermediate and Space Center Intermediate**

The same information will be presented at both meetings. You only need to attend ONE of these meetings.

Please contact Jan Larsen (jlarsen@ccisd.net or 281-284-3185) at Seabrook Intermediate for more information.
