My name is GP 1545. _____

I'm a located in _____

I have completed the summer assignment _____

(student signature)

WAVE Summer Math Practice for Incoming Algebra students

What is ck12? ck12 is a free on-line source of instructional videos and practice. It starts with basic addition and goes up to college level math instruction. It also provides teachers with free tracking software to monitor student progress.

How to use this resource?

1) Sign into Google. The student ID and password information for your student can be found on the first page of this packet.

- Email: CCISD ID number@students.ccisd.net (EX: 0001056605@students.ccisd.net)
- Password: Lunch Account pin (add 00 to the front)
- Read and Accept the Terms and Conditions.

2) Once you set up your Google account stay signed in. Navigate to www.ck12.org and sign in with your Google account.

3) DO NOT change your name (The school has to have parental consent to show your name on this website.) . Select your role (student). Make sure to write the name ck12 gives you on the first sheet of this packet.

4) Select Groups and then select Invited to join a group. Enter the group code:

t56mv

5) Select Assignments. Select the topic you want to work on. Select Start. Assignment Names are subject to change. You must complete all topics under the assignments. If you are having problems with the assignment, watch the instructional video links.

6) Assignments will NOT be posted until Monday, June 5th.

7) Select Settings and turn OFF email notifications.

8) Please DO NOT post anything in the Q & A.

FAQ:

Is this assignment required? Yes, a grade will be taken the first week of school based on the progress of the assignments on ck12.

What if I don't have a computer or Internet access? Public libraries often have free computer and Internet access available to the community. If you have a computer without access, many fast food restaurants and coffee shops offer free Wi-Fi.

What is a reasonable goal for the summer? Students should be proficient in the skills listed on ck12 before they enter Algebra1 Pre-AP/GT. *Students will be tested on these skills during the first couple of weeks of school. Students who are not proficient will be recommended to drop Algebra and take 8th grade Pre-AP mathematics.*

What documentation is required? Student progress is automatically tracked. We will ask for your child to turn in the summer math assignment information sheet on the first day of school.

What if I need additional help? khanacademy.org is a free online resource you can use for instructional videos and practice.

What if I have additional questions? Please email Mrs. Goodin at sgoodin@ccisd.net. Response email time may be longer than 24-48 hrs. due to summer schedule.
