

# BRICK AND MORTAR CHECK LIST

## Elementary Students

### HEALTH ASSESMENT

Complete a verbal assessment of your child's health every day before school. The assessment can be found on [www.ccisd.net/covid19](http://www.ccisd.net/covid19)

### FACE COVERING

Don't forget your child's face covering! You might also want to pack an extra mask just in case. Disposable masks will be available on campus for students.

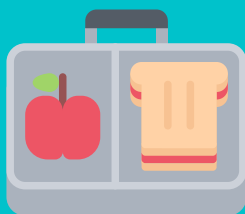

### LAPTOP

Students should bring their CCISD-issued laptop and charger. The devices will be left at the school and used in the classroom.

### WATER BOTTLE

Water fountains are off limits this year. Refillable water stations are being installed on your child's campus.

### EASY-OPEN LUNCH

Pack a lunch with items that your child can easily open on their own.

## REMINDER:

The car rider line may take longer than usual due to more parents choosing to drive their children to school.

Please allow more time and be patient as we work through the logistics.
